Brothers, I greet you in the name of the Supreme Basileus of the Universe. I pray that you, your families and significant others are in the best of health and doing well!

I start this quarter's (CY) update with giving a big RQQ to Brother Frederick Navoy and Boe Harris for chairing the Reclamation and Membership Selection Process committees respectively. We thank them for their time, patience, and Love for Omega in their efforts! As of 31 December 2022, we had 68 total chapter members, of those 53 members (78%) are fully financial, leaving 15 members eligible for Reclamation (22%). As of 9 April 2023, we have a total of 70 IHQ financial members and an increase in total members giving us 77. We have a 9% (7 brothers) increase in Reclamation and 10 NEW members upping our numbers by 17. As Reclamation and Retention is an ongoing and forever continuing process, we will stride to reach 100% for Epsilon Mu Mu chapter of Omega Psi Phi, Inc.

As we turn toward spring and summer, I would like the chapter to focus on our Economic Development and Social Action activities.

Economic Development is defined as maintaining current philanthropic activities/events (fundraisers) while seeking out new economic opportunities and most importantly retaining existing organizational wealth in order to execute mandated programs. Brother Reggie Daniels is our committee chair; please reach out to him to be a member of the committee. This committee will work with our foundation, the 932 Education Foundation to find ways to bring funds into both the foundation and the chapter through events, grants, and donations.

Social Action and Fundraisers:

- Brother Adam Watts and his Social Action Committee are in the planning process for other fundraising events, and activities in and around the city and MacDill AFB.
- Brother Boe Harris, **White Party** committee chair is in the planning process pulling the event together with his committee. Your **HELP** is needed to continue selling tickets and raising funds for our chapter and Scholarships.
- Brother Ron Richardson and his committee have done their due diligence selecting two new students for scholarships.
- Brother Shawn Travis, committee chair PYHOT, has paint your heart out this Saturday.
- Brother Corey Morris, NPHC committee chair has NPHC events all weekend.

We have just six months remaining in the Omega year and three meetings remaining before our summer break, no meeting in July. Let us work hard for our FRATERNITY and celebrate FRIENDSHIP in all of our activities.

In Friendship,
Brother Roderick R. Cunningham
