Immediate Past Basileus

Brothers, I greet you in the name of the Supreme Basileus of the Universe. As always, I hope all is well with you and your families.

Thanks to all those who recently attended and completed the MSP Classroom Training. The Chapter currently has 42 MSP Certified Brothers. The 2025 Goal remains 50 certified MSP Brothers. Remember, a Brother must be MSP certified to participate in the MSP Process. There are **NO EXCEPTIONS** to this rule.

As the Chapter potentially lean forward to an upcoming MSP process, I ask that all qualified Brothers avail themselves to the Chapter MSP Chairman (Bro. Boe Harris) to aid in EMM having a successful process. The objective is to bring men into our Fraternity who are dedicated, and will remain dedicated to the works of Omega.

The White Party Ticket Sale is still open. There's four months remaining until event day. If you have not already, please see Bro. Boe Harris or Bro. Mark Arthurs to get tickets and flyers.

The Chapter currently has 69 financial Brothers. I am asking all who have not paid their dues (IHQ, District, State, Chapter) for 2025 Omega Year to do so immediately.

Committees must do a better job forecasting the dates of their activities. Our Chapter is not looking good in this area. EMM being a military chapter should lead the way in this regard. I'm asking Committee Chairs to work with the VB to correct this.

Upcoming Events: The KRS will ensure calendar invitations are sent for all events.
